NAMI Seneca, Sandusky & Wyandot Counties Newsletter

in this issue

- [Learning Disabilities](#)
- [What's Happening at NAMI SSW](#)
- [The Latest from the NAMI Connection](#)
- [Upcoming Events](#)

Greetings!

As you can see, we have made some changes to our newsletter. This will allow us to better manage the newsletter as well as reducing the time spent creating it. Hopefully this will allow me to start sending this on a more regular basis again.

Learning Disabilities

Parents are often worried and disappointed when their child has problems learning in school.

There are many reasons for failure in school; a common one is a specific learning disability. A child with a learning disability is usually bright and initially tries very hard to follow instructions, concentrate, and "be good" at home and in school. Yet despite this effort he or she is not mastering school tasks and falls behind.

What's Happening at NAMI SSW

First of all, we would like to thank EVERYONE that helped make the Ray of Hope Fundraising Dinner a HUGE success. The evening went great and everyone seemed to have a great time. Thank you again for your effort. We are already organizing the committee for next year and are looking for volunteers. If you are interested please contact us.

Currently we have two classes in progress. Hand to Hand is meeting every monday night at Community Hospice in Tiffin, and Family to Family is meeting every Saturday at the Tiffin Developmental Center. There is still room in the Family to Family class!

The Latest from the NAMI Connection

In this issue of the Connection we examine the release of NAMI's Grading the States report with a spotlight on the Consumer and Family Test Drive. Additionally, we cover a new report on stigma, a book that examines the rapid cycling that exists today between hospitals, courthouses, and jails for people with serious mental illness, and more.
