Team Captains and Walkers Needed

We are still seeking WALK Team leaders and individual walkers for the NAMI WALKS For the Mind of America, that will be held in Fremont on September 9th. The goals for the walk are as follows:

- 1) To increase public awareness about mental illness and the devastating effects that it has on the lives of millions of Americans, or one in four families, every year.
- 2) To raise much needed dollars to help fund the wide array of NAMI support, education, advocacy and research programs.

NAMI of Seneca, Sandusky & Wyandot counties and NAMI Ottawa County will be one of over 65 NAMI WALKS, held coast-to-coast in 2006. These WALKS will be even more successful if we can count on the support of friends like you! Additionally, the NAMI WALKS for the Mind of America program will be expanded to many more cities all across the country in years to come.

For more information call Dennis Wolf toll free at 888-582-8889

[NAMI Honors the CBS Television Network Public Service Campaign on Depression](#)

Washington, D.C.— The National Alliance on Mental Illness (NAMI) will honor the CBS Television Network with its Outstanding Media Award for Public Service for the network's CBS Cares public service awareness campaign on depression, during its annual national convention this week.

"CBS Cares has made an extraordinary commitment and contribution to public education about depression," said NAMI executive director Michael J. Fitzpatrick. "The network has helped remove stigma surrounding mental illness. They have encouraged people to get help when they need it—particularly men, who often are reluctant to do so."
